

Partnership for Children

In-Community Behavioral Health Services

The CarePlus Partnership for Children program supports the Wraparound Model of Care Philosophy to provide families with a solution-focused therapeutic intervention to address the emotional and behavioral health needs of children and adolescents.

Program Goals: Prevent placement and reduce hospitalization while maintaining family safety by providing wrap-around clinical services in a family-centered, strength-based, solution-focused modality.

Specialized Services:

- Collaboration with community system partners
- Ongoing participation with the Child/Family Team
- Improve positive family interaction and dynamics
- Stabilize the family unit
- Increase communication
- Develop healthy coping skills
- Empower parents to make informed decisions and advocate on behalf of their children

Our Philosophy:

Coping skills and strengths developed in childhood carry into adult life, helping individuals reach their full potential. With this in mind, we strive to deliver programming and resources that assist individuals in navigating our complicated world.
