

# Socially Creative Summer Camp

A unique summer camp experience that provides youth aged 7–13 with an opportunity to blend creative arts with social skills, while learning to build friendships and enhance communication skills.

CarePlus' **Socially Creative Summer Camp** takes an evidence-based social skills curriculum and combines it with a sampling of music, skill building, wellness, and motion. The program provides children with continued support and structure during the summer months in a positive, nurturing, and motivating environment. Youth will enjoy...

**Music:** Musical experiences that stimulate attention and increase motivation at home, at school, and in the community.

**Skill Building:** Fun and creative activities that improve and enhance physical, mental, and emotional well-being while regulating mood and establishing coping and anger management strategies.

**Yoga and Movement:** Exercise and wellness education to further the emotional, cognitive, physical, and social integration.

**Social Skills:** Healthy communication and friendship skills to improve self-esteem and confidence.

**This program is best suited for:** Youth aged 7–13 that are struggling with communication, impulse control, and peer relationships. They will benefit from this unique program where they will explore different types of creative expression and interaction. Children will engage in experiences designed to increase self-esteem, enhance communication skills, promote individuality, and build friendships.

Variety is the spice of life, and our socially creative camp offer just the right mix your child is sure to enjoy! Campers will love the array of theme-based activities and special Friday events. **Lunch can be packed from home or purchased at camp.**

**Camp runs July 17 - August 11, Monday-Friday 9 am - 3 pm**

1-week: \$495, \$470 per week for multiple weeks/per additional child. \$25 intake fee.

**For more information or to register:**
